## THE GRIDIRON TO-MORROW.

The Crack Portsmouth Eleven and the University of Maryland to Meet To-Morrow.

The University of Maryland football team, which will defend the goal at Columbia Park to-morrow against Portsmouth's heretofore invincible eleven, is the strongest team that has as yet sought the honor of victory over our boys.

The strength of the Marylanders is conceded by all, and no one feels too confident of victory, but confident of a well and hard-fought game and of honor won, whether in victory or defeat.

In to-morrow's game the two teams will be, it is thought, more evenly matched than in any former game played here this season, and only the result of the game can decide in whose favor the slight advantage lies.

Maryland has in her line-up several players of reputation, several of whom are well known in Portsmouth.

A large crowd of spectators will be on hand, judging from the interest, the announcement of this game has aroused, and special arrangements for handling the crowd have been made.

## W. H. WILLIAMS SUICIDES.

He Was a Prominent Norfolk County Farmer.

Late last night information reached the city that Mr. W. H. Williams, a former prominent farmer of Norfolk county, and father of Mr. W. L. Williams, a prosperous young business man of this city, had committed suicide.

The gentleman lived in that part of the county known as North West, and was well known and highly respected.

The mode used to end his life was not learned, all of the information given being very meagre.

He leaves a wife and seven children. It is said that he has been apparent for some time that Mr. Williams' mind was not very strong and despondency, caused by continued ill health, was given last night as the probable cause.

## A NARROW ESCAPE.

Yesterday afternoon Mr. William Miller's two little children were playing in his wife's bedroom at their residence No. 121 Green street. One of them, about 3½ years old, jumped on the bed. Her little sister jumped after her. The first one rolled over to the side of the bed and in doing so rolled out of the window, a distance of about twenty feet, to the ground below.

Strange to say the child was unhurt, except a severe cut on the chin and a bruise on the knee. Mr. Miller came for his work soon afterwards and went for Dr. McMurrin, who stated that he did not think that she had received any injuries to amount to anything. Her escape from death was a miracle.

## TO-DAY'S FOOTBALL GAME.

The Portsmouth Junior football team having defeated the teams from both the Norfolk Academy and Norfolk High School will to-day line up against the Atlantic City team at Columbia Park.

In both of their former games this season the Juniors have had the disadvantage of being the lighter team, but by their exceedingly clever playing have prevented their opponents from scoring.

Considering the exhibitions of clever playing that has been seen in this team and the small admission fee that will be charged there will doubtless be a good crowd out to witness the game this afternoon.

Admission: 15 and 10 cents.

## CHANGES IN REAL ESTATE.

The following deeds were admitted to record yesterday in the Clerk's office of the Norfolk County Court:

Edward T. Dawley and wife to Richard and James Smith, lot on north side of Jackson street, Barboursville; \$100.

Pinner's Point Land Company to L. B. Blount, lot on east side of Hill avenue, near Second street; \$900.

## ANDERSON & THOMPSON CONFERT.

The announcement in yesterday's Virginian-Pilot that Anderson & Thompson would give a free concert last night caused a large crowd to assemble, and any one who saw the crowd could not help thinking that the Virginian-Pilot must reach all the homes in the city, as it was immense.

There were ten places in the orchestra. The music was excellent, and the crowd appreciated it by remaining until it was over.

## DEATHS YESTERDAY.

Mrs. Sarah E. Stublin, widow of the late W. C. Stublin, died yesterday at her home, No. 629 South street. She was 48 years old and leaves several children. Her funeral will take place Sunday.

Mr. and Mrs. Temple J. Hankins lost by death yesterday their only son, Harry Lee, aged 16 months. The funeral will be held this afternoon from the residence of his grandfather, J. Thomas Dunn, in Prentiss Place.

## A FORMER PORTSMOUTH BOY.

The Raleigh Biblical Recorder of this week says of a former Portsmouth boy, now of the Old North State: "Rev. Charles A. G. Thomas travels more than any other pastor in North Carolina. A few weeks ago he was in the Northwest, more recently in Atlanta, now in Kentucky, and between times everywhere in North Carolina. Nevertheless he does an immense amount of home work."

## SEVERE BLOW TO THE BOERS

three missing. Only fifteen of the Dublins have returned.

The naval 7-pounder, which was in front of the truck, had fired three shots when it was shattered by the Boer artillery.

The armored engine has many bullet marks and its dome cover is smashed, as also is its automatic exhaust pipe and 25-ton screw jack. The tender is also pitted with bullet marks.

## BERKLEY NEWS AND ADVERTISEMENTS

### A PRETTY MARRIAGE

A Demented Colored Paralytic Disappears From His Home—Marriage Announcement—Obsequies—Seriously Ill—Brevities.

One of the most beautiful marriages in the history of Moyock took place Wednesday evening at 8:30 o'clock at the Moyock M. E. Church.

The contracting parties were Mr. John D. Whitehurst, a popular young man of that community, and Miss Mary Virginia Wilson, daughter of Mr. and Mrs. W. L. Wilson, and one of Moyock's most popular and beautiful young ladies. Mr. W. M. Whitehurst, brother of the groom, was best man, and Miss Marie Wilson, of Elizabeth City, a relative of the bride, was maid of honor. Promptly at the above hour the bridal party entered the church in the following order: The bride entered, escorted by her father, and his best man; then came the ushers, Mr. Henry Dudley and Dr. S. M. Mann. They were followed by the following attending couples: Mr. W. S. Berton and Miss Maggie Bernard, both of Moyock; Mr. W. S. Sykes, of Berkley, and Miss Maggie Bell, of Snowden, N. C.; Mr. T. B. Grey, of Shawboro, N. C., and Miss Ella Whitehurst, of Norfolk county; Dr. W. K. Wood, of Norfolk county, and Miss Annie Pentress, of Norfolk; Miss Agnes Pentress, of Norfolk, presided at the organ. The lower girls were Misses Addie Wilson and Ola Ferebee. Rev. James Y. Old, of Elizabeth City, N. C., officiated, and was assisted by Rev. J. H. M. Giles, pastor of the church.

The bride, maid of honor and lady attendants were attired in white organdie, while the groom, with his best man and attendants wore the conventional black. The decorations were chrysanthemums and dotted plants and presented a scene of beauty.

A reception followed at the home of the bride, and yesterday a dinner was served at the home of the groom's parents, India Creek, Norfolk county, in honor of the occasion. The presents were numerous, handsome and useful. They will reside at the home of the bride's parents.

ANNOUNCEMENT. Rev. and Mrs. John Walker Hundley, of Covington, Va., have issued invitations announcing the marriage of their daughter, Miss Susie Quarles, and Hon. Russell Austin McCoy, on the 8th of November, 1899, at 9:30 o'clock, at the Covington Baptist Church.

Peter Halstead, a colored man, who lives about a mile back of South Norfolk and who was stricken with paralysis last Friday in his left side, which temporarily affected his mind, suffered another stroke Wednesday afternoon, from which he became totally demented and chased his wife and children from home yesterday about 4 a. m. He left home in his night clothes and barefooted, and had not been heard from late yesterday afternoon.

It is rumored that Lieutenant Churchill is a prisoner.

At 1:40 p. m. the conference adjourned with the benediction by Dr. Bledsoe.

The attendance upon the conference to-day was unusually large. The lower floor and galleries of Washington Street Church being filled by visitors who took the greatest interest in all of the proceedings.

## THE BISHOP'S CABINET.

The Bishop was in session with his council Wednesday and again to-night until a late hour arranging the appointments for the new conference year. As yet nothing has appeared on the surface for one to form any idea as to who will be sent to Norfolk and Berkley.

Representatives from Epworth Church, Norfolk, and Monumental, Portsmouth, are here looking after their interest, but, like newspaper reporters, they are in the dark. It is believed, however, that there will be startling revelations before the close of the conference, which will hardly occur before next Wednesday or Thursday.

## DR. TIGERT'S SERMON.

The largest congregation that has assembled in Washington Street M. E. Church since the conference met in Petersburg, eight years ago, gathered there to-night to hear the sermon of Rev. Dr. J. J. Tigert, editor of the Southern Methodist Quarterly Review.

Many in the audience had to content themselves with standing room during the service.

## CONFERENCE BROTHERHOOD.

A business meeting of the Virginia Conference Brotherhood was held in Washington Street Church to-night after the conclusion of Dr. Tigert's sermon, with the president, Dr. J. J. Laferty, in the chair.

Rev. W. P. Wright, secretary and treasurer of the Brotherhood, reported that eight deaths had occurred since the meeting of the Brotherhood at the

noon. He is between 60 and 65 years of age, and has been living in that community about twenty-five years, and was much respected by his neighbors. His family are doing what they can to ascertain his whereabouts.

## BREVITIES.

James Doyle, alias Williams, alias Cooper (colored), was arrested by Officer Parker at the postoffice last night, he being wanted by the authorities of Sussex county for assaulting a woman.

While excavating the bed of Pine street yesterday several human bones and dark outlines were found in the earth, which are evidences that human remains at some remote date were laid to rest in that portion of the town.

Messrs. Parks and Etheridge will remove the turkeys at their place to-night. See their advertisement in this issue, calling attention to his supply of oysters either by the barrel or in smaller quantities.

A Missing Preacher Located. (By Telegraph to Virginian-Pilot.) Asheville, N. C., Nov. 16.—Rev. W. H. Dexter, principal of the Military School at Nyack, N. Y., who mysteriously disappeared two weeks ago, is known to be in this city. He has acquaintances here, but they refuse to give out any information concerning him. It is reported that Dexter says he left home while temporarily mentally unbalanced, on account of financial troubles. He claims that insanity is hereditary in his family, his mother having been similarly affected. He claims that nothing of a critical character attaches to any of his actions.

## MEANS A CURE OR NO PAY. HYOMEI DYSPEPSIA CURE

The Only One Which Treats Each Phase of the Disease Separately.

## THE ONLY ONE EVER GUARANTEED.

When you use "Hyomei Dyspepsia Cure" it means a cure or no pay. With all others you take a risk. It is the only one ever guaranteed, and this fact alone is sufficient reason for not wasting your time and money by experimenting with cures in which the manufacturer has no confidence himself. If you were purchasing a home no matter how beautifully the description was worded by the seller, you would not think for one moment of paying for the same if he refused to give you a deed, or a written agreement to refund the money in case it was not as represented. Why, then, should you take risks in buying dyspepsia cures simply because of the wonderful claims made by the advertiser when he does not dare to guarantee the same. The R. T. Booth Company do not fill the papers full of what their remedy has done for OTHER people. They say to you the sufferer: IF IT FAILS TO CURE WE WILL REFUND THE MONEY. IF IT FAILS TO CURE, mark this, NOT if it fails to relieve, for any cheap cathartic will do this. No matter how much relief it gives, if it does not cure, your money is refunded. Understanding this, it would seem folly on the part of any sensible person to hesitate one moment between Hyomei Dyspepsia Cure and others not guaranteed. Send for one day's treatment free.

Sold by all druggists, 50 cents.

## RIPAN'S

I felt better from the very first one I took. I had taken them for about a month, and was feeling so much better that I had forgotten about the bad feelings I used to have. The doctor called my trouble dyspepsia. I had it for about seven years, and had never in all my life been able to eat rich food, or a very hearty meal. I often wondered why I should have so much dyspepsia. I would have what I call waterbrash sometimes four or five times a day, when clean water that seemed hot would run out of my mouth and the pain was something terrible for a minute, or else I would have pains at times in my stomach that would fairly double me up or pains in my shoulders and legs and all over me so that I would wish I was dead. I would send for the doctor, and when he came in he would say: "Well what is the matter now?" The best way to describe how I felt was just to say that everything was the matter with me and I felt bad everywhere. I think everybody who is troubled with their stomach ought to just try Ripan's Tablets and they will soon know how valuable they are. My age is fifty-one years.

WANTED—A case of bad health that R-I-P-A-N'S will not benefit. Send five cents to Ripan's Chemical Co., 10 Spruce Street, New York, for 10 samples and 1,000 testimonials. R-I-P-A-N'S is for 5 cents, or 12 packets for 48 cents, may be had of all druggists who are willing to sell a standard medicine at a moderate profit. They banish pain and prolong life. One gives relief. Note the word R-I-P-A-N'S on the packet. Accept no substitutes.

## Filling Cellars with Coal

Means filling the house with comfort during the Winter in every nook and corner. An ounce of prevention is better than cures and doctors' bills, and those who burn our high grade coal in their furnace will not have to get the pound of cure. There is no time like the present to get in your Winter's supply. Coal goes up as the thermometer goes down.
